Virtual Presentation Instructions

Thank you for participating to IEEE ISBI 2023.

Here are instructions to prepare and upload a 2-minute teaser video of your presentation as well as an ePoster in PDF format. This will be posted within your presentation time slot on the IEEE ISBI 2023 on-demand virtual platform.

Guidelines for preparing your ePoster:

File format: 1-page PDF
Dimensions: A0 (width: 841mm or 33.1 inches; height: 1189 mm or 46.8 inches)

Guidelines for preparing your teaser video:

Video Duration: 2 Minute Teaser Video (anything longer than 2 minutes will be cut)
File size: 300MB max
Video file format: mp4
Dimensions: Minimum height 720 pixels, aspect ratio: 16:9

You can use any meeting software as long as you get a good quality recording and your final file is in the MP4 format. You can show your face via webcam (if you'd like) and display your slides as you talk.

In order for files to be verified by the technical program committee, **we ask that you please finalize your video and ePoster no later than March 31, 2023.**
